

Georgia SoftWorks Team Services **Transfer** allows the session to be transferred to another device.

*Team Members Helping Team Members!*

Barry has been using a hand held scanner all morning. He needs to use the Forklift and Truck Mount device for a while.

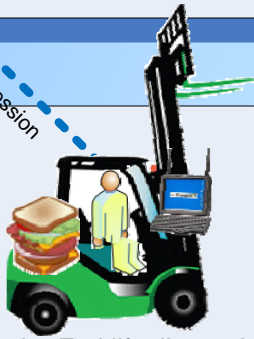

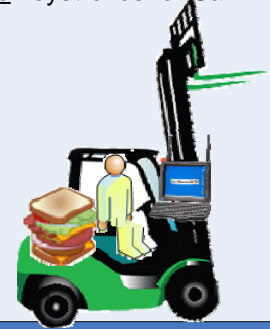

Barry notices that Sam is about to eat lunch and the forklift will be available.

Barry remembers  
**GSW Team Services**

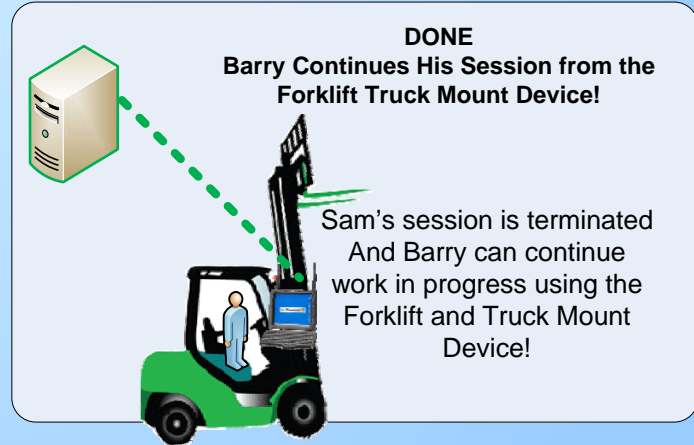

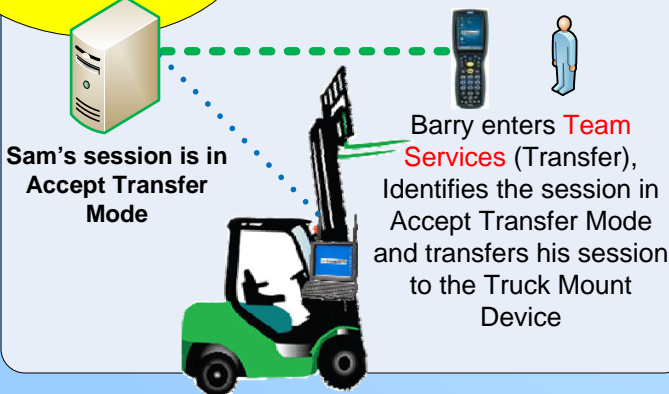

Barry can transfer his session to the Truck Mount Device .  
**He will not even have to log off!**

Barry request Sam put his Truck Mount device session in **Accept Transfer mode** Two keystrokes for Sam.

Sam was using the Forklift all morning. He is about to go on lunch break.

**Perform the best job possible with the available resources.**

How Long did it take to Transfer?  
**Less than a Minute**
